

Liz and I continue to be overwhelmingly impressed with BCC.

Yesterday was a perfect microcosm of why we love the club: Golf at 7:30am with a group of 12 gentlemen was exceptional. The course was in immaculate shape and the service, as always, was perfect!

Pool for lunch...the pool has become our social hub with great food, friends, and how comfortable with letting our kids roam "free." Its a great way to spend the day!

Dinner on the porch...from the greeting by valet, excellent service by Cynthia, to superb food, the impromptu help from Kelsey (holding our baby so we may eat), its just an overall phenomenal experience!

Thank you to everyone at the Club for all of the hard work! It truly shows every time we're at BCC!

Our wedding last Saturday was absolutely perfect! We want to thank you for all of your efforts over these past months in planning and coordination of Taylor's wedding that all added up to what we, and many guests, said was on the of the best weddings they have ever attended.

Our bridal parties we ideally accommodated in the lounges for the bridesmaids and in the bowling ally for the groomsmen. The clubhouse was set up exactly to our plan, inside and out! The food and beverage service was outstanding from the hors d'oeuvres through dinner and the late night snacks. The staff was attentive throughout the night and we were never once distracted from simply enjoying our special day.

Please convey our appreciation to the BCC team who contributed to our wonderful wedding reception!

While I have played in the BCC Invitational in past years, I really recognized the excellence of the BCC golf experience this year. I know behind the scenes how much work is done to play for this event and I am very appreciative of being a member of BCC and the quality of our golf facilities and great personnel. Your team and staff make the experience so excellent.

I thank you all for your commitment to us and our guests who love golf so much. Your commitment to excellence and quality service is commendable!

I just wanted to thank you and the entire staff for your efforts to make Mother's Day special! The menu was over the top and certainly generous! The heating instructions were perfect. I can only imagine the time and effort put in by everyone. And, then there was a perfect rose!

I continue to be impressed with your creativity to keep BCC in all of our lives....right down to the juice packs to go. Who knew? The pantry is above and beyond, but so appreciated. I'm sure the staff is grateful to be working, too.

Thank you!

During these days of COVID-19 and "Stay at Home" orders, how I miss my BCC gym, my personal trainer Matt, and all of my workout buddies! I'm sure that many of you are feeling the same way. But here comes BCC to the rescue with their Facebook Live 30-minute workouts! Over the past few weeks at 10:00am, I would take my "coffee break" from working, go down to my living room, and work out with one of BCC's wonderful fitness trainers. Not only have I been able to try new workouts like Tabata with Jessica, Zumba with Kasey, or HIIT with both Janine and Jessica, it's been so nice to see the fitness trainers live while social distancing! Staying healthy, fit, and positive during this unusual time in our lives is so very important for everyone. It is also important to keep our immune systems strong to ward off those bad COVID-19 vibes!

I want to thank you for doing a fantastic job during this difficult time. We have been totally WOWWED by your efforts.

We have ordered curbside pick-up from The Club several times, and it has been great every time. The food has been delicious, with terrific service. It's amazing how you even manage nice presentation in a take-out container! Your continual efforts to meet every possible need and desire of the membership has been incredible, and outstanding.

Thanks so much for all you have done to make life happier, more normal, better, etc etc - even in this grim situation.

Looking forward when we can all enjoy life in-person together,

-BCC Member of 3 Years
